KI als Fotograf (Symbolbild)

Der Fotograf Robert Kneschke hat im Februar 2023 mithilfe der Website [Have I Been Trained?](#) entdeckt, dass seine Fotos zum Training von KI verwendet wurden. Die Website ermöglichte es Kneschke, Laion-5B zu durchsuchen, einen Datensatz mit rund 5,8 Milliarden Bildern, der dem gemeinnützigen Large-scale Artificial Intelligence Open Network (Laion) gehört.

COMPLAINT

Plaintiff Getty Images (US), Inc. (“Getty Images” or “Plaintiff”), by and through its undersigned attorneys, for its Complaint against Defendant Stability AI, Inc. (“Stability AI” or “Defendant”), hereby alleges as follows:

NATURE OF ACTION

1. This case arises from Stability AI’s brazen infringement of Getty Images’ intellectual property on a staggering scale. Upon information and belief, Stability AI has copied *more than 12 million* photographs from Getty Images’ collection, along with the associated captions and metadata, without permission from or compensation to Getty Images, as part of its efforts to build a competing business. As part of its unlawful scheme, Stability AI has removed or altered Getty Images’ copyright management information, provided false copyright management information, and infringed Getty Images’ famous trademarks.

2. Getty Images brings this action to recover damages that it has suffered and is continuing to suffer, and to prevent the irreparable harm caused by Stability AI’s intentional and
